1963 HILLTOP INTRODUCTIONS

These are our first introductions and we hope our friends "out there" will like them as well as our garden visitors. These have performed consistently for several years in this northern climate, so we feel they should give pleasure when grown elsewhere. The first three are named for our beloved granddaughters. Sufficient stock allow for the low price on these plants. We proudly offer the following:

JANICE LEE--- (G. Wilson 1963) E. M. T. B. 40 in. (Limelight X Pink Formal) Deep orchid self lightly laced with deep tangerine beard. Many buds and sturdy growth. Lovely in a clump or as individual stalk. Flowers are gracefully flared. Good garden value. Price \$10.00

SHIRLEY JEAN--- (G. Wilson 1963) E. to M. T. B. 40 in. (Dolly Varden X Limelight X June Bride) A delightful lilting medium orchid self with tangerine beard, with the flaring grace of a ballet dancer's skirts. Lightly laced to add charm to the individual flower. One of my favorites. Price \$10.00

SANDRA ELAINE--- (G. Wilson 1963) E. T. B. 40 in. (Snow Flurry X Cloudcastle) For six years this has bloomed consistently and was lovely every year. Medium blue with standards lightly crinkled some years. It blooms over a long period of time. The large flowers are carried on on a heavy stalk. Fast of increase it makes a lovely clump. Visitors have liked this especially. This has been a favorite since it first bloomed. Price \$5.00

PINK SUNBONNET--- (G. Wilson 1963) M. L. T. B. 42 in. (Happy Birthday X Cloudcap X Dolly Varden) Lovely mauve pink with tangerine beard. This dainty flower shows its Cloudcap color but doesn't flop. The Shape is much like Happy Birthday. The ruffled blossoms stand firm on sturdy stalks. Price \$20.00
